2020 Mid-year Legislative Updates

AgeOptions and local senior service agencies invite you to attend one of three mid-year legislative update meetings to be held over Zoom. We welcome suburban Cook County federal, state, and local officials to learn about the accomplishments and challenges of the aging network in light of COVID-19 and to join the discussion on how we can best support each other to ensure older adults are able to thrive in our new normal.

The public is invited to participate in these sessions.
