News and Information From Mount Prospect Public Library

January/February 2013

Happy New Room

South Branch Expansion Benefits All Community Partners

Since opening in 2009, the Library's South Branch, located at the Community

Connections Center at 1711 West Algonquin Road, has been a busy and popular destination. The Library, the Village of Mount Prospect, and other partners gain more room now that the Center has expanded into an adjoining storefront. A bigger Community Room and additional office space allow for larger meetings or programs as well as additional space for counseling.

"The additional space will help the community partners at the Center provide more services to residents," said MPPL's South Branch Manager Maria Garstecki. On the Library side of the Center, from the space gained by relocating the Community Room to the new area, there will now be an extended Circulation Desk with three service stations, more public access computers, WiFi connectivity, and additional shelving for the collection.

The South Branch welcomed nearly 63,000 patrons through its doors in 2011. Before the expansion, program attendance often had to be limited because of the small size of the Community Room. The new space will be used for kids' crafts, computer classes, and events.

The South Branch features a full range of Library services, including programs for kids, families, teens, and adults, and a collection of audiovisual materials and books in English, Spanish, Korean, Gujarati, Polish, and Hindi. The Village of Mount Prospect and other community partners at the Center help residents with a range of social, health, economic, and other services.

How Sweet It Is

The Unbelievable Chocolate Raffle

~ FEBRUARY 6-19 ~

If it's February, then it's time for chocolate! Join the Mount Prospect Public Library Foundation as it kicks off its sixth annual "Unbelievable Chocolate Raffle" on Wednesday, February 6 in MPPL's Lobby and at the South Branch. This year's event will feature 13 sumptuous baskets designed for the chocolate lover in all of us.

Raffle items range from Elegant Chocolate, a basket featuring a gift certificate to experience Chicago's premier Chocolate Bar at the award-winning Peninsula Hotel, to Irish Chocolate, a basket brimming with sweet Celtic flair.

"There's really something for everyone," says Suzanne Busse, president of the MPPLF and one of the

organizers of this year's chocolate raffle. "We think of this event as chocolate with a twist and create baskets that appeal to all ages and interests from sports and entertainment to yummy, fun surprises for children."

All proceeds from the "Unbelievable Chocolate Raffle" will benefit the Foundation, which raises funds for special programming and events at the Library that otherwise would not be available through public funding.

Strategic and Operational Plan BOARD DEFINES COURSE FOR THE NEXT THREE YEARS

by Jane Everett
PRESIDENT, BOARD OF TRUSTEES

The Library board recently approved the Strategic and Operational Plan for 2013-2015. A collaborative effort by the Board and Staff, the plan provides not only a vision and direction but also key strategies and activities. The Library will:

- ▶ Continue to engage in new and emerging technologies, especially those that facilitate sharing, openness, and social networking while allowing patrons to customize their experience within the Library facility.
- ▶ Reach out to patrons in the community and provide services where needed.
- ▶ Develop stronger ties with other Mount Prospect organizations.

- ▶ Create opportunities for learning, collaboration, and connection.

Some of the vision is already evident at the Library. Our E-Reader and Tablet Test Drive Open House already has provided patrons with the opportunity to try out the new devices and ask questions. We will be rolling out a Library Facebook page early in 2013. The South Branch expansion will help us better serve residents who have responded very positively to services offered to date. We continue to form partnerships with businesses and other local organizations in ways that benefit our patrons, and we are committed to expanding access to materials and programs that allow all ages to continue learning.

Celebrate our

Mount Prospect Public Library started out in 1930 with 300 secondhand books on a single tier of shelves. In 1943 a referendum created a tax-supported Village Library. Today our annual circulation tops one million items in two locations that feature programs and services for all ages. Join us as we mark our 70th anniversary and reaffirm our commitment to maintaining our service to you and our vital role in the community. Look for festive events and special commemorations around the Library in 2013. Want to know more about MPPL over the years? Visit mppl.org/about/history for a timeline and history.

The Spirit of Motown, Soul, and R&B

Monday, February 18, 7:30 p.m.

In 1959, Motown Records founder Barry Gordy gathered the best musicians from Detroit's thriving jazz and blues scene to form his studio band, the Funk Brothers. Together they created a sound that would bridge the racial divide and produce more number-one hits than the Beach Boys, the Rolling Stones, Elvis, and The Beatles combined. Join us as Mount Prospect's own Jose Sandoval presents a solo piano concert and discussion celebrating the spirit of Motown and its influence on soul, R&B, and rock. Featured songs include "My Girl," "Heard It Through the Grapevine," and "Just My Imagination." This event is sponsored by the MPPL Foundation in recognition of African American History Month. (R)

As the eyes age, they can develop cataracts and floaters. If your vision has become blurry, cloudy, or dim, you may have developed a cataract in one or both of your eyes. If little flecks are drifting across your field of vision, you may have floaters. While cataracts are one of the most common causes of vision loss, they are treatable with cataract surgery. Floaters, though, may respond to dietary changes or supplements. Dr. Eirit Yonatan and Dr. Jill Bert of The Eye Site will review the causes of each condition and treatment options. (R)

Grimm and *In a Glass Grimmly*, talks to kids, he tries to scare the bejeezus out of them. He begins with a real Grimm fairy tale—not a sweet, cute, boring one with singing mice and fairy godmothers, but a real one. Once everyone's good and scared, they get to ask him questions about how his book came about, what a writer's life is like, or anything else of burning interest. Guests will also be able to purchase copies of his books, provided by The Book Stall and signed (in blood-red ink) by the author himself. *Recommended for ages 9 and up, but all*

A Tale Dark & Grimm
by Adam Gidwitz
Monday, February 18, noon-1 p.m.

Reader: beware.

Warlocks with dark spells, hunters with deadly aim, and bakers with ovens retrofitted for cooking children lurk within these pages. But if you dare, turn the page and learn the true story of Hansel and Gretel. It may be frightening, it's certainly bloody, and it's definitely not for the faint of heart, but unlike the other fairy tales you know, this one is true.

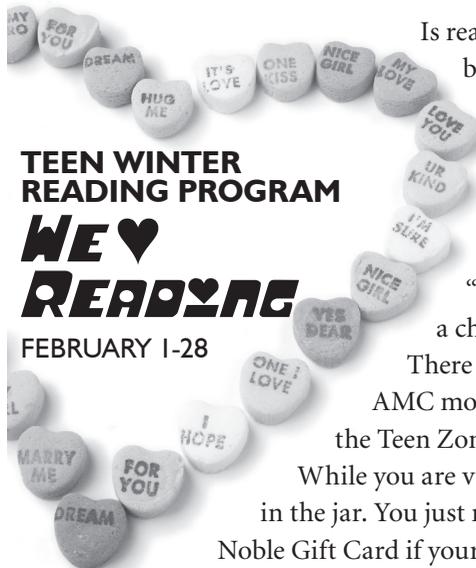

are welcome. Children under age 9 must be accompanied by an adult. (R)

Ring in the New and Give Us the Old

If your holiday wishes came true in the form of a new cell phone, digital camera, tablet, or laptop computer, connect away with your latest gadgets but remember—don't discard your used electronics! Donate them to the Mount Prospect Public Library Foundation (MPPLF). This simple act fulfills yet another wish list as part of the Foundation's electronics recycling program.

Through a partnership with the Texas-based Recycling Fundraiser, MPPLF earns money from donated

electronics. What otherwise would be destined for a landfill becomes treasure for MPPLF.

All you have to do is drop the used items in the bright pink container near the Registration Desk. The Foundation takes care of the rest. It's that easy.

Here are the items on MPPLF's Recycling Fundraiser Wish List:

- Cell phones--no chargers or accessories
- Laptop computers only
- Ink-jet cartridges--small enough to fit in the palm of your hand. No toner please!
- Apple iPods and iPads

- Digital cameras / video cameras
- Handheld game systems--Sony PSP handheld and Nintendo's DSi, DS lite, DS original, Gameboy Advance, or Gameboy Color
- MP3 Players--Microsoft Zune, Sandisk or Creative only
- GPS devices--Garmin, Mio, Magellan, and TomTom only
- Radar detectors--Escort, Beltronics, and Cobra only
- E-Book reader--Kindle, Sony, and Verizon iReX only

Remember, it pays to recycle! For more information visit MPPLF at www.mpppl.org/community/library-foundation.

There's a hint of chocolate in the air as the Mount Prospect Public Library Foundation rolls out its annual raffle.

Tickets are six for \$5, twelve for \$10, or \$1 each and can be purchased from a volunteer or at the Registration Desk.

The drawing will be held on Tuesday, February 19 at 11 a.m. *Winners need not be present to win.* All funds raised by the raffle support the Foundation and its mission of providing special programming and events that otherwise would not be possible with public funding.
