## 1. Call to Order

# 2. President Statement Regarding Virtual Meeting

"This meeting of the Board of Library Trustees is held without a quorum of Trustees physically present and is authorized by Governor pursuant to "COVID-19 Executive Order No. 5" (16 March 2020), and the Government Emergency Administration Act (Public Act 100–0640; eff. 6/12/20). Pursuant to said Public Act, which in part amended the Open Meetings Act, I have determined that an in-person meeting is neither practical nor prudent because of the COVID-19 disaster. As a result, I have further determined that it is not feasible to require the physical presence of a Trustee, the Library Director, or the Library's attorney at the regular meeting location. The minutes of this meeting will include the foregoing statement. Please note that a roll call vote is now required for all motions."

## Library Director Report February 18, 2021

- 1. Resolutions of Appreciation. This is agenda items 4 and 5. Each year we take time to recognize and thank our supportive partner organizations, the Friends and Foundation. This past year has been especially difficult for them because they were not able to conduct all of the regular fundraising events that they usually do. Despite this, both organizations contributed donations to the library in 2020. We are lucky to have such dedicated members of the community supporting the library.
- 2. Consent Agenda. This is agenda item number 7. Any item on the consent agenda can be removed by request and discussed and voted on separately.

**Non-resident fee**. The library uses the "General Mathematical Formula" to determine the annual non-resident fee (divide tax income by population, then multiply by average number of persons per household).

• (\$9,532,000 / 54,167 = \$176) \* 2.62 = \$460

**Per Capita Grant**. Each year the library applies for a grant from the Illinois State Library. We typically receive about \$67,000, which equals \$1.25 per Mount Prospect resident. Usually this application is due in January, but the due date was pushed back this year to March because of the pandemic.

**Policies**. At the February 4 COW meeting we discussed changes to several policies. The documents have been updated with the trustees' requests made at the February 4 meeting.

**IPLAR.** Each year we must submit the Illinois Public Library Annual Report, which is a requirement of all public libraries in the US, and is coordinated by the Institute of Museum and Library Services (IMLS). This report asks for detail about all operating areas of the library and is also the data used for the *Library Journal* "star" libraries. Consolidated nation-wide data from annual reports is freely available and is interesting to dive into if you like data: <u>https://www.imls.gov/search-compare/</u>

"I move to establish and approve the consent agenda as presented."

- **3. 2021 Goals.** This is agenda item number 8. The 2021 goals have been updated with the changes we discussed at the February 4 COW meeting. At this meeting, we should be able to agree on the goals, and understand that it is a working document that will be regularly reviewed and updated as necessary.
- 4. Reopening Report. This is agenda item number 9. We are now halfway through February, and the reopening to walk-in service at Main is still going well. We are seeing about 30-40 max capacity at any one time, and about 300-350 patrons a day. This is a little lower than we were experiencing during the summer/fall, but not by much.

Our target for opening South Branch to appointments is March 1, and we are finishing up the repairs and improvements to the space.

5. Library Worker Vaccines. The Illinois Library Association, along with individual libraries, have been working with county and community health departments to see if library workers can be classified as 1b or 1c for vaccine eligibility. Some have been successful (see <a href="https://www.ila.org/advocacy/covid-19-resources/vaccine-eligibility-for-libraries-in-ill">https://www.ila.org/advocacy/covid-19-resources/vaccine-eligibility-for-libraries-in-ill</a> ) but so far Cook County has not upped the priority.

# Book Discussion Kit Policy

# Books to Go – For Book Groups

# I. Purpose

A. Book discussion kits are specifically developed for book groups. Each kit contains 10 copies of a title, as well as a binder with resources including biographical information on the author and questions for discussion. See the Loan Rules chart for borrowing information.

# II. Guidelines

- A. Kits may be reserved up to a year in advance through the Fiction/AV/Teen Services desk. This may be done in person, by calling 847/253-5675 extension 4070, or by emailing readers@mppl.org.
- B. Kits should be picked up at the Fiction/AV/Teen Services Desk and a staff member will walk the kit down to the Circulation Desk for checkout.
- C. Kits are checked out to one person. Members of the group should get their copies from the person who checked out the kit. Kits come as a set. Individual items from the kit may not be checked out.
- D. Only one kit at a time may be checked out to an individual. A three-day exception can be made if the practice of the book group is to collect the old books and distribute the new books at the same meeting.
- E. The individual who checks out the kit is responsible for the return of the complete kit, including the bag, the books, and the binder.
- F. Failure to return book discussion kits on time may infringe on future borrowing privileges of such kits.
- G. Book discussion kits must be returned to the Circulation Desk for check-in during open Library hours. They may not be returned in the book drop or using the automated check-in system.
- H. Book discussion kits are available for reciprocal borrowing but may not be Interlibrary Loaned.

- A. "The registration and circulation records of a library are confidential information. Except pursuant to a court order, no person shall publish or make any information contained in such records available to the public." (75 Illinois Compiled Statutes 70/1 (a)
- B. Effective 1/1/2008 an exception to the requirement of a court order is made per Public Act 95-0040 if the following conditions are met:
  - 1. A sworn law enforcement officer states that it is impractical to get a court order as a result of an emergency situation;
  - 2. The officer states there is probable cause to believe that there is imminent danger that someone will be physically harmed;
  - 3. The information requested is limited to only identifying a suspect, witness, or victim of a crime;

- B. Without a library card or other identification, no patron may borrow any library materials at any time.
- C. A reciprocal borrower is a non-resident of Mount Prospect who has their library card registered at MPPL.

- D. **Eligibility**. All full-time employees and regular part-time employees are entitled to earned paid vacation time. General part-time employees are not entitled to paid vacation time but may take time off without pay following the guidelines below. Executive Director's vacation is as determined by the board.

- B. **Scope**. This policy applies to all full-time employees. Regular and general part-time employees who have successfully completed the introductory period will receive pro-rated holiday time, if they would regularly be scheduled to work on that holiday. They must be scheduled to work that day of the week regularly.
- C. **Policy**. The following days are recognized as Library paid holidays and the Library is closed:
  - 1. New Year's Day
  - 2. Memorial Day
  - 3. Independence Day
  - 4. Labor Day
  - 5. Thanksgiving Day

- E. Part-time employees on an unpaid leave of absence do not receive holiday or birthday time during their leave of absence.
- F. When the Library has designated a floating holiday, the employee should use the holiday time by the end of the calendar quarter. If, due to staffing needs, an employee does not have a reasonable opportunity to use the floating holiday before the end of the quarter, the employee may request an extension from their supervisor.

## III. Sick Leave

- A. **Purpose**. To provide income protection for employees who, because of illness (including pregnancy, childbirth, or related medical conditions) or injury, are temporarily disabled and unable to perform the employee's regular job or any other assignment offered. Sick leave may also be used for medical appointments that cannot be scheduled outside of an employee's scheduled hours of work and when needed due to an illness, injury, or medical appointment of a family member for whom the employee is providing care.
- B. **Scope**. This policy applies to all full-time employees and regular part-time employees who receive sick leave benefits. In addition to being used when an employee is unable to work due to the employee's own medical condition, sick leave may be used to care for an ill relative in the employee's immediate family. Immediate family is defined as employee's spouse, civil union partner, child (including a stepchild and a child placed with the employee for adoption or foster care), parent, stepparent, mother-in-law, father-in-law, grandparent, grandchild, or other member of the household for whom the employee is providing care.

Other family-related hardship may be brought to the attention of the Human Resources Department or Executive Director for special consideration to allow the use of sick time. Sick time also may be used for medical appointments that cannot be scheduled outside of the employee's regular working hours. General part-time employees are not eligible for sick leave benefits.

#### C. Policy.

- 1. Amount of Benefit. Full-time employees accrue sick leave at the rate of 3.5 hours per pay period from the first pay period of employment. Regular part-time employees accrue sick leave on a pro-rated basis based upon the number of hours worked in a regular schedule. Sick leave may be accumulated to 240 days.
- 2. Eligibility. The Library may require any employee, at the employee's expense, to support a request for sick leave by medical certification.
- D. **Procedures**. These guidelines will be followed by supervisors in administering sick leave:
  - 1. Maintaining Contact
    - i. When reporting an illness, an employee should notify the Supervisor or Department Head as soon as possible. Method and timing for reporting absences should be done following departmental procedures. During a period of sick leave, an employee is expected to maintain regular contact with the supervisor (or make other suitable arrangements) in order for the supervisor to know the employee's estimated date of return to work.
    - ii. Physician's Note Upon Return. When any full-time employee is absent for more than five successive days because of an illness, a doctor's note (at the expense of the employee) is required to return to work. If the absence was due to the employee's illness or injury, the note should include clearance to return to work as well as any restrictions. If the absence was due to the employee's need to care for another family member, it should detail the time frame, reason for the employee's absence, and the family member's relationship to the employee. If a part-time employee is absent due to illness, they should consult their supervisor to see if a doctor's note is required as it will depend on the employee's work schedule.
    - iii. In all cases, regardless of the length of the absence, if a medical restriction is needed in connection with an employee's return to work, a doctor's note is required.

#### E. Use of Benefits

- 1. Sick leave benefits may not be used for any purpose not specified in this policy unless approved by the Executive Director. Misuse of sick leave benefits may result in discipline up to and including dismissal.
- 2. Supervisors will record paid sick leave time on the employee timeclock.

#### F. Health & Safety

- 1. Employees should not report to work when sick with an illness that is or may be contagious. Library reserves the right to send home employees who are sick regardless of available sick leave benefit.
- 2. Because the Library is a public institution, public safety is a priority to Mount Prospect Public Library (MPPL). Staff members exposed to a serious contagious health risk or will be required to remain in self-quarantine from the Library (out of the building and out of personal physical contact with Library staff) for the period recommended by recognized health officials, including the Centers for Disease Control and Prevention. Staff will be responsible for the time off incurred and may use available sick, vacation, and personal time off. Library Administration and Human Resources will work with the employee to implement this policy depending on the situation.

#### IV. Bereavement Leave

- A. In the event of a death in an employee's immediate family or their spouse's or civil union partner's immediate family, an employee is entitled to take time off. Three days will be paid to the extent they otherwise would be work days. For a part-time employee, pay will be computed based on the hours they otherwise would have been scheduled to work on those days. "Immediate family" is defined as the employee's spouse or civil union partner, child, parent, sibling, or any individual who resides in the employee's home. Other similar family relationships may be brought to the attention of the Director of Human Resources and Executive Director for special consideration.
- B. For any other death in the family, full-time and regular part-time employees are entitled to take off the day of the funeral with pay, to the extent it would have been a scheduled workday. Employees should be prepared to provide proof of relation and attendance at the funeral.
- C. Additional time off may be taken, as needed, in accordance with the Library's other paid and unpaid leave policies, including the paid personal time off and unpaid personal leave policies. In the event of the death of a child of an employee, up to two weeks of leave may be taken by eligible employees pursuant to the Illinois Child Bereavement Leave Act (or six weeks in the case of the death of a second child of the employee within a 12-month period).

## V. Paid Personal Time Off

- A. **Purpose**. To provide a means for employees to secure limited time off when such time is needed for important personal reasons.
- B. **Scope**. This policy applies only to full-time employees who have completed three months of service in full-time capacity.

#### C. Policy

a. The Library will grant, to full-time employees, 22.5 hours paid personal time off for personal reasons provided such time off does not materially affect the normal conduct

of business, customer service, or operating costs. Unused hours are converted to sick leave after the last paycheck is issued in January that covers hours worked in December.

- b. When an employee earns personal time very close to the end of the calendar year, an exception may be made to carry over personal time for a short time frame into the new calendar year; overlapping the 22.5 hours of personal time received for the new calendar year.
- D. **Procedures**. All paid personal time off should be scheduled in advance, except for an emergency situation, and approved by the Supervisor. Personal time may be used in conjunction with or in lieu of other paid time off, for example vacation and holiday. Supervisors will enter paid personal time off on the employee timeclock.

## VI. Birthday Personal Time Off

- A. **Purpose**. To provide a paid day off in celebration of an employee's birthday.
- B. **Scope**. This policy applies to all full-time employees, and part-time employees who have completed the introductory period.
- C. **Policy**. The Library will grant each eligible employee a paid birthday day-off provided such time off does not materially affect the normal conduct of business, customer service, or operating cost. Such birthday day must be taken during the month of the birthday or the month directly preceding or following the month of the birthday. Paid hours would be the hours the employee would work that day. Employees may request days that they are regularly scheduled, regardless of hours, not to exceed 7.5 hours, as long as requested in advance and approved by supervisor.
- D. **Procedures**. Except in emergency situations, all paid birthday time-off must be scheduled in advance and approved by the Supervisor. Birthday time-off is treated as miscellaneous time worked. If birthday time-off is not taken during the allowed three-month period, it will then be lost to the employee.
- E. Supervisors will enter employee's birthday time-off on the timeclock as miscellaneous (1004) time with a note.

## VII. Jury Duty Leave

- A. Any employee receiving a Jury Duty summons should immediately notify their supervisor.
- B. Employees will be paid for jury service for up to a maximum of two calendar work weeks. Pay will be computed based on the regularly scheduled hours missed because of jury service. Jury service which extends beyond two calendar work weeks will be unpaid.
- C. An employee who is not selected to serve on a jury or is released from jury duty during normal working hours is expected to return to work. Upon completion of jury service, an employee must present their supervisor with evidence of attendance at jury service.

## VIII. Blood Donation Leave

A. Employees are encouraged to donate blood and should make arrangements to do so before or after work or during their lunch break. If blood donations cannot be scheduled during those periods, a full-time employee who has been employed for at least six months may present a request for up to an hour of paid leave for the purpose of blood donation to their supervisor. Such a request must be presented at least one (1) day in advance with medical documentation of the proposed blood donation and cannot be presented more often than every 56 days in accordance with appropriate medical standards.

## IX. Organ Donation Leave

- A. Employees are encouraged to donate organs and blood platelets in accordance with appropriate medical standards. Such a request must be presented at least one (1) day in advance and cannot be presented more often than 24 times in a 12-month period.
- B. An eligible employee wishing to use up to thirty (30) days of organ or bone marrow donation leave within any 12-month period may present a request with medical documentation of the proposed donation to their supervisor. Such a request should be presented as far in advance as possible and must be presented at least one (1) day in advance.

## X. Leaves of Absence Without Pay

- A. **Purpose.** To enable employees to receive extended time away from work to handle compelling personal business.
- B. Scope. This policy applies to all employees.

#### C. Policy

- 1. Leaves of absence without pay may be granted to employees to maintain continuity of service in instances where unusual or unavoidable circumstances require prolonged absence.
- 2. Except as required by law, no benefit credit will accrue toward vacation and sick leave entitlement for the duration of the leave for those employees who are eligible for such leave. During unpaid leaves of absence, part-time employees are not scheduled to work and are therefore not paid for holidays.
- 3. After 30 consecutive days of leave of absence, the employee will be responsible for paying the entire cost of their health insurance coverage except in circumstances stated otherwise in this Code, such as an approved FMLA designated leave.

## 2021 Interim Year Goals

#### Assumptions

This is a working document that should be reviewed and evaluated periodically. Changes are expected as conditions change, both outside and inside the library environment. The Executive Director will provide monthly progress updates to the Board.

#### Library Goals

#### 1. Establish Strategic Plan Timeline

Create a timeline to complete a new strategic plan, assuming that the library will work with a consultant/facilitator, and the process will include a strong focus on significant community input.

Measures of success:

- Timeline established
- Preliminary work completed on soliciting and selecting consultant
- Strategic plan costs identified and included in 2022 budget

#### 2. Upgrade Marketing, Communications, and Brand

Evaluate all of the library's marketing, PR, communications, website, graphics, and social media activities and establish goals to maximize the effectiveness and reach to the community. Identify and ensure that resources, including staffing, equipment, software, etc. are sufficient to meet the goals.

Measures of success:

- Contract with a third-party consultant to guide the brand update project
- Establish goals and create a related marketing plan
- Create new branding for the library that includes print and digital collateral and a style guide that includes designated colors, graphics, fonts, style, etc. to be used for all print and digital publications
- Evaluate and implement the necessary resources and staffing to meet the goals and targets listed above
- Research and transition website from a custom developed environment to a standardized library platform that aligns with library communication goals and uses new branding collateral

#### 3. Equity, Diversity, Inclusion

Create a statement that clearly demonstrates the library's commitment and importance of EDI. Identify action items to address EDI during collection development going forward, in developing programs, in providing staff training. Evaluate diverse makeup of Board and staff.

Measures of success:

- EDI landing page created on the library's website
- EDI statement created and posted on the website and communicated to staff and patrons
- Collection Development EDI action item created and implemented
- Programming EDI action item created and implemented
- Staff Training EDI action item created and implemented
- Make recommendation for improving diversity of Board and staff
- Include South Branch in all EDI activities

#### Mount Prospect Public Library 2021 Interim Year Goals

#### 4. Continue to Right Size the Budget

Continue to right size the budget by increasing funds to materials, programs, and other patron-facing services. Continue evaluation of staffing needs and gradually reduce the salary line through attrition.

Measures of success:

- Double program budget by 2023
- Double Library of Things budget by 2023
- The library spends a minimum of 12% of its operating budget on materials for patrons by 2024
- Salaries plus fringe benefits account for up to 70% of the library's operating budget by 2025

#### 5. Create a New Normal Post Pandemic

As Covid declines and we are able to move back toward "normal," we need to evaluate our services and operations and make adjustments to better suit our community. This should include, but is not limited to:

- a. Evaluate and implement programming with a focus on providing virtual and in-person options, and enhance adult programs through increased collaboration between departments
- b. Evaluate and implement technology support in public spaces to allow for virtual programming and patron usage
- c. Evaluate and implement open hours to maximize library usage and staff resources
- d. Evaluate and remove barriers to patron services
- e. Continue to work closely with schools to provide support to students and teachers to "catch up" after a year of disrupted and virtual education
- f. Evaluate and implement public and staff furniture and fixtures to allow for distanced and collaborative workspaces
- g. Evaluate, identify, and implement sustainability measures in our facilities
- h. Evaluate and consider satellite library service locations, i.e., bookmobile, lockers, etc.
- i. Evaluate the feasibility of a "virtual librarian" (chat bot)

Measures of success:

- Investigate and provide recommendations for the items listed above, including feasibility, budget needs, and timeline
- Implement recommendations as practical, allowing for budget and timeline constraints

#### 6. South Branch Expansion and Improvement

Continue exploration and implementation of South Branch expansion and improvements to better meet the needs of the community.

Measures of success:

- Reach mutual decision with the Village regarding the CCC expansion by August 2021. If yes, plan and include appropriate budget in 2022 fiscal year, and create and complete an implementation plan.
- Complete other necessary repairs and improvements, including limited new furniture and other aesthetic improvements by December 2021.

## January 2021

#### Circulation

 Circulation staff continue to be flexible and responsive to the continued demand for PLP. Appointments were increased in the evenings and on the weekends as much as possible to try and meet the continued demand for this service from the community. We also had to be flexible and work around some less-than-ideal winter weather, especially at the end of the month.

#### **Community Engagement**

- Beth Corrigan-Buchen is working with HIAS Immigration & Citizenship to present a Path to Citizenship program in April. The program will provide attendees with information about how to go from permanent resident (Green Card holder) to U.S. Citizen.
- 2) The Village of Mount Prospect's Community Engagement Committee has an official library liaison, and we are working with her to develop long-term strategies for collaboration. Currently we are identifying cultural and historical celebrations that the library is acknowledging through programs, book displays, blogs, and other means that the Committee could help to promote.
- 3) Beth Corrigan-Buchen spoke with two members of Racial Awareness in the North Shore (RAIN), an organization that works to promote racial and cultural diversity and understanding through education and action. RAIN hosts presentations, maintains a clearinghouse of resources, and publicizes relevant upcoming activities. The members are eager to work with libraries and are a valuable local resource for MPPL's EDI and social justice work.

#### Fiction/AV/Teen

- The department prepared the public floor for reopening. Collections were rearranged, displays were created, and advisory resources were prepared (particularly to support the Winter Reading Program).
- 2) Department staff negotiated the addition of over 3,000 digital magazine titles to our shared OverDrive collection, at a substantial cost savings compared to our previous RBDigital subscription.
- 3) The virtual Teen Volunteer at Home program continued, garnering positive responses from participants:
  - a. "Thanks for providing opportunities for kids to get service hours while safe at home. We really appreciate it!"
  - b. "I thought the page was really well done! I'm even checking out a book I found from it that sounded interesting."

#### Reference

- 1) Computers by Appointment had 117 reservations in January. We added two appointment slots each day in mid-January to accommodate more patrons.
- 2) The library received our first order of state and federal tax forms in late January. Since we had patrons calling for tax forms daily, we put forms on a cart and wheeled them into the garage each day so that patrons could help themselves to 1040 forms and instructions.

#### Registration

1) We worked with IT to eradicate the last bugs in our new phone system and can now answer phones remotely using a soft phone.

- 2) We attended a virtual Cards 4 Kids meeting to iron out final procedures and answer questions about this program. We are looking forward to issuing library cards to students through this program that may otherwise not be served by a library.
- 3) We updated the virtual teacher, school, and other miscellaneous school cards through June 2021 to help teachers and students continue to use our website, databases, and whatever else they need as they continue with various hybrid forms of learning.

#### South Branch

- 1) A permanent outdoor book return was installed at South Branch this month. This allows patrons the flexibility of returning their items at our location 24/7.
- 2) South Branch went live on the new phone system this month and is no longer connected to the Village of Mount Prospect's phone system. This streamlines communication between South Branch and Main by allowing staff from each location to call each other using extensions.
- 3) We began a mini-makeover of the South Branch space this month, starting with going through all of our storage cabinets to consolidate, donate, or recycle unused items. This will continue into February, including working with a consultant to reorganize the public desk space, painting and repair work by Building Services, and tech cleanup by IT staff which will include reconfiguring a third desk space.

4) A total of 158 patrons have signed up for the South Branch Winter Reading Program so far in January, including 117 Youth and 41 Teen/Adult participants. Patrons have been sending us photos every week of their completed activities. Below are a few examples:

#### Youth Services

- The Youth Winter Reading Program had 479 participants who collectively logged 5,174 days of reading and 10,321 activities in January. The children use Beanstack to log reading and activities that are worth points. For every five points they receive a digital points badge, which gives them an entry into weekly and grand prize drawings. The engagement on our two Padlet boards has been wonderful, even more than this past summer.
  - <u>https://mppl.padlet.org/youthpad/ss3wdzevdaon4m3j</u>
  - https://mppl.padlet.org/youthpad/9ilwdwhq54ovkrpv
- 2) This was the inaugural event of I Survived: The Great Chicago Fire, a program series based around popular early chapter books. The 22 participants received a free "I Survived" book, and the highlight of the event was a visit with the Mount Prospect Fire Department, who talked about fire safety, gave a virtual tour of their new Station 13, and showed some of their equipment.
- 3) An excited audience of 46 saw Amy Alznauer demonstrate Kolam, a type of Indian chalk drawing. Alznauer is an author of several picture book biographies, including *The Boy Who Dreamed of Infinity* about the Indian mathematician Ramanujan. The importance of this type of diversity in programs was demonstrated when a parent from south India shared a photo of her mom drawing Kolams in India for a holiday. This type of high-quality diverse event aligns with our EDI goals to provide more inclusion and representation in programming.
- 4) The kindergarten teacher from D59 Frost sent in a screenshot of our virtual visit, sharing the penguins that we worked on together.

#### Collection & Bibliographic Services

- OverDrive's acquisition of RBDigital meant that the price of our subscription of unlimited access to over 3,500 electronic periodicals was going to increase unexpectedly from \$8,700 to \$25,000 annually. Patron use of this digital collection this past year has been incredibly high and we did not want to have to cancel access to a very popular library service. However, we and other libraries negotiated a consortium price, and instead of our annual cost increasing significantly, it decreased down to \$2,400.
- Because due date information is readily available in other ways, we no longer put due date slips on any new materials. This streamlines the process and improves the look of materials (especially DVDs).

#### Communication and Creative Services

- 1) CCS worked with IT to import and upload all library cardholder email addresses (roughly 24,000) into Constant Contact in advance of our February 1 reopening.
- 2) We created an adorable Winter Reading display case just in time for the library to reopen to the public.

#### Human Resources

- Number of terminations: none Number of new hires: 1 (Acquisitions Assistant – internal promotion)
- 2) Open positions: Janitor (PT-15 hrs)
- 3) Staff anniversaries:
  - a. David Ayala (Security Officer) 10 Years
  - b. Claire Bartlett (Youth Librarian) 10 Years
  - c. Marsha Diamond (Youth Assistant) 10 Years
- 4) We are approaching the new year by attempting to automate various processes. We have started to use the PAF (Personnel Action Form) process within Paycom to update various employee changes via an automatic workflow/approval process.

#### Learning

- 1) The first online courses to be deployed to staff with Paycom Learning, our new Learning Management System, were released this month. They were:
  - a. Paycom Learning for Employees 101, which introduced the new system's navigation and features.
  - b. MPPL During COVID-19: February 2021 Update, a mandatory safety and customer service training prior to reopening.

## Friends of the Mount Prospect Public Library

1) We promoted the Friend's funding of FanFest in the event publicity.

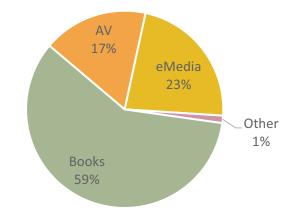

## Mount Prospect Public Library Foundation

1) We prepared and presented the 2021 annual funding request, which the Foundation approved at their January meeting.
