Library Director Report July 16, 2020

Resolution of Appreciation for Maria Garstecki. This is agenda item number 3. Maria Garstecki, longtime MPPL employee and South Branch Manager, has announced her retirement, and we will be recognizing her with a resolution.

2019 Audit Presentation. This is agenda item number 4. Our auditor, Jim Savio from Sikich, will present the 2019 audit and answer questions. The audit came back with a "clean" opinion again this year.

"I move to accept the 2019 Audit as presented [amended]."

Library Reopening and Library Services Report.

This is agenda item number 6. The library reopened to the public on Monday, July 6. To date, it has gone smoothly with no major issues. We are averaging about 35 people in the building at any one time. Our highest occupancy has been 68 patrons in the building at one time. These numbers are well below our current capacity limit of 100 and significantly below the maximum allowed capacity of 250¹. The most popular time for people to come in is between 10 a.m.-12 p.m., with the numbers dropping off as the day goes on. We are averaging 450 patrons on a daily basis. Keep in mind that this data is from only the first three days (7/6-7/8). Our IT department created a "counter" app that we are using at the Welcome Desk to keep track of how many patrons are in the building.

Our safety protocols seem to be working, with patrons and staff wearing masks and maintaining a 6-foot distance. One adjustment we made was to implement a message that plays over the intercom on the hour that reminds patrons to limit their visit to an hour and to make sure their mask is over their mouth and nose.

We continue to provide Parking Lot Pickup service, which remains very popular. At this time, we have not opened our meeting spaces to the public and will discuss in-person programs and public use of study rooms and meeting rooms later this month. We will continue to offer virtual programming across all audiences for the foreseeable future. As we see diagnosed cases of COVID-19 increase across the country, we continue to prioritize the health and safety of staff and patrons over the expansion of in-person library services.

On June 1 we kicked off our summer reading program, "The Spectacular Reading Race." For full information and promotional video, visit https://mppl.org/summer-reading-2020/

I have a son who reads a novel about every other day, and we depend on the library, so I appreciate my holds coming through and the support. Thanks.

The meeting of the Board of Library Trustees was held without a quorum of Library Trustees physically present. 1. President Statement Regarding Virtual Meeting

President Haas read the following statement aloud prior to beginning the meeting, "This meeting is held as a virtual meeting given that the Illinois Governor has declared the coronavirus pandemic a disaster. I have determined that an in-person meeting is not practical or prudent because of the disaster. I have also determined that it is not feasible, due to the disaster and the disaster declaration, to have a Library Trustee, the Library Director, or the Library's Attorney present at the Library (the library facility closed to staff at 7:00PM this evening)."

The results of a study determining how long the COVID-19 virus lives on library materials has been released, and based on the results, the Library is decreasing the length of quarantine time for returned materials from seven days to three days.
