### 1. President Statement Regarding Virtual Meeting

"This meeting is held as a virtual meeting given that the Illinois Governor has declared the coronavirus pandemic a disaster. I have determined that an in-person meeting is not practical or prudent because of the disaster. I have also determined that it is not feasible, due to the disaster and the disaster declaration, to have a Library Trustee, the Library Director, or the Library's Attorney present at the Library (the library facility closed to staff at 7:00PM this evening)."

### 12. Adjournment

### Library Director Report June 25, 2020

Library Reopening Plans This is agenda item number 5. We are planning on reopening the library in a limited fashion on Monday, June 22, with appointment-only computer sessions. We have set up the training lab to be appropriately distanced, and in addition to the computers, patrons will have access to print/scanner/fax services. On Monday, July 6 we plan to open our doors to the public with capacity limits. Masks will be required, and we are asking patrons to limit their time in the library, and not congregate or linger. The public meeting rooms and study rooms will not be available right away on July 6. As Illinois moves into new phases, the capacity, time limit, and meeting room restrictions will be gradually lifted.

We are anticipating establishing somewhat reduced hours, as staff need extra time without the public in the building to allow staff to distance when performing tasks in public areas. We will have certain hours designated for high-risk individuals. We have established cleaning protocols and directional traffic patterns, and staff will maintain a 6-foot distance from the public, which makes our customer service look a bit different than usual. Our plan is to set up a "Welcome Table" in the lobby to greet patrons, enforce capacity limits, explain the mask requirement (and offer a mask if they don't have one), review a symptoms list, and set expectations for computer and library usage.

In all of our preparations, we are adhering to Illinois guidelines for Retail and Office reopening.

Mount Prospect Library Stages	Illinois Reopening Phases	MPPL Effective Date
MPPL Stage 1 – Entirely Closed	IL Phase 1 – Rapid Spread	March 15
MPPL Stage 2a – Staff Only	IL Phase 2 – Flattening	May 1
MPPL Stage 2b – Pickup/Delivery	IL Phase 2 – Flattening	June 1
MPPL Stage 3 – Limited Public	IL Phase 3 – Flattening	June 22/July 6
MPPL Stage 4 – Moderate Public	IL Phase 4 – Recovery	,
MPPL Stage 5 – New Normal	IL Phase 5 – Illinois Restored	,

**Review and Approve Bylaws Revisions.** This is agenda item number 6. At the June 11 Committee of the Whole meeting, we reviewed and discussed several changes to our bylaws. Included in the packet is the clean copy of the updated bylaws, redlined with the additional changes we agreed upon. We will review the document again at the 6/25 meeting and can vote to approve if there are no further major changes requested.

"I move to approve the bylaws as [presented] [amended]." (Roll Call vote needed)

**Committee Appointments 2020-2021.** This is agenda item number 7. Assuming the bylaws revisions pass, we should confirm the members of the Finance and Personnel committees. Each committee should have 3 members in addition to the President as an ex officio member.

**Services Report.** We launched Parking Lot Pickup on June 1, and it has been a success. There is a very large demand for items, and we are still somewhat overloaded with returns, but so far the service has gone well and patrons are happy. During the month of June, we're expecting to serve about 5,000 patrons (120 appointments per 3-hour shift). We are anticipating continuing the service even after we reopen, but we may need to reduce the number of available appointments as we balance staffing inside the library and Parking Lot Pickup.

Library Director Report Page 1 of 3

In addition to Parking Lot Pickup, we continue to produce virtual programs that are released on our YouTube channel. Since the last board meeting, we have also added live Zoom programs, all of which can be found on the library's event calendar on our website.

On June 1 we kicked off our summer reading program, "The Spectacular Reading Race." For the first time, our summer reading program is available online through the Beanstack application. All ages are encouraged to participate through Beanstack, which allows patrons to track their reading, earn digital badges, and win prizes. For full information and a very fun promotional video, visit <a href="https://mppl.org/summer-reading-2020/">https://mppl.org/summer-reading-2020/</a>

**Staff Announcement**. Maria Garstecki, longtime MPPL employee and South Branch Manager, has announced her retirement. She has been a staunch support of the Library and community, and she will be missed. Beth Corrigan-Buchen has been named Interim Branch Manager to provide support to the day-to-day activities while we evaluate staffing needs and move forward with identifying new leadership.

**Future Board Meetings in Person**. On June 12, 2020 Governor Pritzker signed into law the Government Emergency Administration Act (GEAA). The Act, effective 6/12/20, includes several amendments to the Open Meetings Act when a disaster declaration has been issued related to public health concerns. There is a memo in the packet that outlines the new requirements.

However, now that Illinois is in Phase 3, and will likely move to Phase 4 soon, we should consider resuming meeting in person at our regular July 16 meeting. We would hold the meeting in our largest conference room and spread out the tables and chairs to ensure proper distancing. Masks will be required for all attendees of the meeting.

### **May 2020 Online Resource Statistics**

We're seeing some ups and downs in our online resource usage; we don't have specific reasons for the decreases, but it may be that people are feeling screen fatigue, or perhaps the nice weather is pulling people outside. Still, there have been healthy increases in many areas.

- "Worked great the other day. Thanks for the hard work you guys are doing"
- "We just picked up today! It was awesome so happy the library is back even if we can't go in yet!!"
- "SO glad MPPL jumped on the band wagon to do this. My little library in AZ started a week ago and absolutely love that the librarians wanted to get back to work as well as get materials into patrons' hands. Cannot thank library staff enough, no matter where they are, for their willingness and thoughtfulness in taking care of patrons."
- "There is one list of ebooks, but I really had to search for it. Of course, there is high demand and they're all checked out. Even still, it could be highlighted in some way: listed among staff picks, linked in the statement, placed prominently on the home page. Yes, lists of other media and resources would be great!" (response to anti-racism statement)

B. The first action taken at the regular May meeting of the Board of Library Trustees shall be the election of a President, Vice President, Secretary, and Treasurer. Each Officer shall be elected to serve a <a href="two one">two one</a>-year term ending on the first Monday of the month following the applicable regular election or until their successors are duly elected by the Board. ### **OPEN MEETINGS ACT**

Amendments For "Virtual Meetings" During COVID-19 Pandemic

TO:

**Public Library Clients** 

FROM:

Roger Ritzman/Mark Ritzman

DATE:

June 16, 2020

On June 12, 2020, Governor Pritzker signed into law the Government Emergency Administration Act (P.A. 100-0640) (the Act).

The Act, effective immediately (6/12/20), includes several amendments to the Open Meetings Act (OMA) during the COVID virus pandemic.\*

In large part, the OMA amendments mirror changes to OMA rules made by Governor Pritzker's previous Executive Orders which allowed for "virtual meetings".

A copy of the portion of the Act relevant to OMA changes is attached.

### The Changes

- 1. All open session discussions must be recorded. Previously, only closed session discussions required recording;
- A determination by the Board President must be made that an in-person meeting is not practical or prudent due to the disaster. We recommend making this determination at the beginning of a meeting;

<sup>\*</sup> The modified OMA rules are in effect if the Governor or the Director of the Illinois Department of Public Health has issued a disaster declaration related to public health concerns.

Example: Library Board President states at the beginning of the meeting:

"This meeting is held as a virtual meeting given that the Illinois Governor has declared the coronavirus pandemic a disaster. I have determined that an in person meeting is not practical or prudent because of the disaster";

3. At least one Trustee or the Library Director or the Library's Attorney must be physically present at the regular meeting location. Typically, either the Library Director and/or Board President would be present.

Note the Act does not require physical presence at the regular meeting location if such physical presence is "unfeasible due to the disaster" (see Section (e) (5) of the attached). The Act does not define "unfeasible due to the disaster" or who determines "unfeasible." It may be that physical presence is "unfeasible" based on the Board President's determination that an in-person meeting is not practical or prudent.

Perhaps the Board President's statement at the beginning of the meeting could address "unfeasible", e.g.:

"This meeting is held as a virtual meeting given that the Illinois Governor has declared the coronavirus pandemic a disaster. I have determined that an in person meeting is not practical or prudent because of the disaster. I have also determined that it is not feasible, due to the disaster and the disaster declaration, to have a Library Trustee, the Library Director, or the Library's Attorney present at the Library."

- 4. Each Trustee should verify/confirm at the beginning of the meeting he/she can hear all discussions;
- 5. The Notice of Meeting/Agenda should include a statement that the meeting will proceed without a quorum physically present, i.e., a "virtual meeting";
- Arrangements for public access, via phone or web-based link, must be made to enable the public to hear Trustee discussions, votes, etc. We recommend including these arrangements on the Notice of Meeting/Agenda;
- 7. A roll call vote is required for all Motions.

## OMA Excerpts From P.A. 100-0640 (eff. 6/12/20)

(e) Subject to the requirements of Section 2.06 but notwithstanding any other provision of law, an open or closed meeting subject to this Act may be conducted by audio or video conference, without the physical presence of a quorum of the members, so long as the following conditions are met:

(1) the Governor or the Director of the Illinois

Department of Public Health has issued a disaster

declaration related to public health concerns because of a

disaster as defined in Section 4 of the Illinois Emergency

Management Agency Act, and all or part of the jurisdiction

of the public body is covered by the disaster area;

- (2) the head of the public body as defined in subsection (e) of Section 2 of the Freedom of Information Act determines that an in-person meeting or a meeting conducted under this Act is not practical or prudent because of a disaster;
- (3) all members of the body participating in the meeting, wherever their physical location, shall be verified and can hear one another and can hear all discussion and testimony;
- (4) for open meetings, members of the public present at the regular meeting location of the body can hear all discussion and testimony and all votes of the members of the body, unless attendance at the regular meeting location is not feasible due to the disaster, including the issued disaster declaration, in which case the public body must make alternative arrangements and provide notice pursuant to this Section of such alternative arrangements in a manner to allow any interested member of the public access to contemporaneously hear all discussion, testimony, and roll call votes, such as by offering a telephone number or a web-based link;

- (5) at least one member of the body, chief legal counsel, or chief administrative officer is physically present at the regular meeting location, unless unfeasible due to the disaster, including the issued disaster declaration; and
- (6) all votes are conducted by roll call, so each member's vote on each issue can be identified and recorded.

Notice shall be given to all members of the public body, shall be posted on the website of the public body, and shall also be provided to any news media who has requested notice of meetings pursuant to subsection (a) of Section 2.02 of this Act.   - (A) Notice shall be given pursuant to subsection (a) of Section 2.02 of this Act, and the presiding officer shall state the nature of the emergency at the beginning of the meeting.
  - (B) The public body must comply with the verbatim recording requirements set forth in Section 2.06 of this Act.
- (8) Each member of the body participating in a meeting by audio or video conference for a meeting held pursuant to this Section is considered present at the meeting for purposes of determining a quorum and participating in all proceedings.
- (9) In addition to the requirements for open meetings under Section 2.06, public bodies holding open meetings under this subsection (e) must also keep a verbatim record of all their meetings in the form of an audio or video recording. Verbatim records made under this paragraph (9) shall be made available to the public under, and are otherwise subject to, the provisions of Section 2.06.
- (10) The public body shall bear all costs associated with compliance with this subsection (e).
