DRAFT v3

Strategic Plan

July 2022 – June 2025

Introduction

Strategic planning is the systematic process of envisioning a desired future and translating that vision into broadly defined goals and a sequence of steps to achieve them.

Over the past two years, there have been changes in the world at large due to the global pandemic that have made it essential for the Mount Prospect Public Library (MPPL) to seriously evaluate if the needs of the community are being met. This strategic plan is meant to be used as a roadmap for meaningful change. The ultimate goal of this process was to hear directly from the community how the library can best serve them.

Background

The library last completed a strategic plan in 2019. That plan, effective from 2019 through 2023, was a hybrid strategic and operational plan created primarily by staff. In March 2020, when the pandemic emerged, the plan was put on hiatus. In 2021, the Board of Trustees approved a set of short-term goals designed to address the current environment. In late 2021 the Board approved a new strategic planning timeline and agreed to separate the strategic plan from the operational plan.

ReThinking Libraries, a professional strategic planning consulting firm, was hired to coordinate and facilitate the activities. The planning process was kicked off in January 2022 and the final plan was officially approved by the library board in June 2022. This plan will be effective from July 2022 through June 2025.

Approach to Planning

To ensure a thorough and positive planning experience, the library engaged in a collaborative, indepth data gathering process with the community, library board, and library staff. These activities included:

- All-community survey. (Over 2,000 received)
- Strategic Retreat (11 staff, 4 trustees, 4 community members)
- Staff and Board input sessions (6 sessions, 120 attendees)
- Community input sessions (12 sessions, 165 attendees)
- Mount Prospect demographic data and maps
- Key library related results from the Village 2020 survey
- Library benchmark analysis
- Collection utilization analysis

See the supplemental "Findings Book" for a comprehensive overview of the input received during the strategic planning process.

Mission Statement

A mission statement answers the question, "Why do we exist?" The library's current mission statement was reviewed during input sessions, and a new statement was written based on feedback.

Cultivating community connections, inspiring learning, and enriching lives.

Vision Statement

A vision statement answers the question, "What do we want to achieve?" The library's current vision statement was reviewed during input sessions, and a new statement was written based on feedback

A connected community with opportunities for exploration and growth.

Values

Values define the culture and character of the library, and answer the question, "How do we behave?" The library's current values were reviewed during input sessions, and new values were written based on feedback.

- Community focus. Providing relevant services and fostering community connections.
- Adaptability. Being nimble and flexible to creatively meet changing needs.
- Inclusivity. Supporting and valuing the diverse needs of all.
- Welcoming. Creating an inviting, safe, and easy to use environment.
- Accessibility. Ensuring easy access to materials and services whenever and wherever needed.
- Learning. Encouraging an ongoing pursuit of knowledge and discovery that enriches lives.

Initiatives, Goals, Activities

The strategic initiatives, goals, and activities are the outcome of the data-gathering process and comprise the core of the strategic plan. They answer the question, "What are our priorities and how are we going to address them?"

Strategic Initiatives

The strategic initiatives guide our actions in allocating financial resources and staff time. They do not eliminate efforts in other areas, but they receive the most focused attention of all the activities we undertake for the next three years.

- A. Community Focused Services and Awareness
- B. User Focused Facilities
- C. Improved and More Available Materials and Resources

Goals

Goals are designed to focus on what the community receives and not on the resources the library needs to deliver the service.

Potential Activities

Potential activities are meant to illustrate possible actions the library will complete in order to meet the goals of the plan. They are not intended to be absolute, but rather realistic suggestions that reflect the current environment. As the environment changes, and more information is discovered during the research phase of each activity, changes are possible. The aim of the activities is to meet the identified goals.

Strategic Initiative A: User Focused Spaces

Goal A1: Provide residents with user-focused, comfortable, and inviting spaces that prioritize usage based on community needs and are furnished with modern, comfortable, and accessible furniture and fixtures.

Potential Activities:

- A. Contract with an architect to create a facility Master Plan for the Main Library.
- B. Identify implementation timeline and funding of the Master Plan for the Main Library.
- C. Collaborate with the Village of Mount Prospect to expand, improve, or relocate the Community Connections Center that houses South Branch and Human Services.
- D. Evaluate the partnership with the Village and Human Services to define the benefits and requirements of sharing the Community Connections Center space.
- E. Identify expanded services and resources necessary to occupy an expanded, improved, or relocated South Branch.
- F. Identify and implement short-term improvements to the South Branch space, including minor space reutilization and improved furniture and fixtures.

Goal A2: Enable patrons to intuitively find their way through library spaces with excellent wayfinding and signage at all locations.

Potential Activities:

- A. Conduct a signage audit in conjunction with Goal A1 and implement recommendations as appropriate at all locations.
- B. Create a new patron-focused website with simplified navigation and standardized naming conventions.

Goal A3: Provide eye-catching and interesting displays throughout all locations to enable unexpected and organic discovery of materials and resources by patrons.

Potential Activities:

A. Conduct a display and shelving audit in conjunction with Goal A1 and implement recommendations as appropriate.

Strategic Initiative B: Community Focused Services and Awareness

Goal B1: Provide convenient, non-traditional services that add value to the library's contributions to the community.

Potential Activities:

A. Evaluate providing passports and/or license plate stickers.

Goal B2: Offer a wide variety of interesting adult programs that appeals to a range of audiences.

Potential Activities:

A. Evaluate current adult programming and incorporate new ideas from the strategic planning results.

Mount Prospect Public Library Strategic Plan 2022-2025

B. Increase the coordination of adult programs across MPPL departments, including South Branch.

Goal B3: Meet patrons where they are and further embed library services and outreach within the community.

Potential Activities:

- A. Evaluate the feasibility of installing kiosks, vending machines, or other self-service systems within the community.
- B. Investigate purchasing an outreach vehicle, such as a bookmobile or van, including what services could be provided "on the road."
- C. Identify and evaluate added outreach visits and/or programming to senior homes, multifamily dwelling units, churches, and other spaces where the community congregates.

Goal B4: Provide in-house library services at times that are convenient for patrons and utilize staff resources during the most popular times.

Potential Activities:

- A. Evaluate library hours at all locations and adjust to meet community needs.
- B. Review the list of closed days and adjust to address new or changed state or federal holidays.

Goal B5: Patrons will be aware of library offerings through a variety of channels, tailored to meet community needs.

Potential Activities:

- A. Develop standardized, evergreen service offering materials in a variety of mediums that are suitable for new residents, new cardholder orientation, outreach events, etc.
- B. Create library card campaigns that target a variety of audiences and remove barriers to library sign up and use.
- C. Assess current communication efforts and identify a strategy to create and implement a marketing plan that is targeted and curated to best distribute information to the community.

Strategic Initiative C: Improved and More Available Materials and Resources

Goal C1: Patrons will find the materials they want, when they want, for reading, viewing, and listening for pleasure and knowledge.

Potential Activities:

- A. Evaluate joining a resource-sharing consortium or group and make a formal recommendation to the Board that includes an implementation timeline and funding solutions.
- B. Increase the budget allocation for electronic materials with the intent to reduce wait times for popular materials.
- C. Establish a non-holdable collection consisting of popular materials, targeted to the browsing patron.

Mount Prospect Public Library Strategic Plan 2022-2025

Goal C2: A variety of practical, fun, and up to date technology and other resources will be available to patrons to use at the library and check out to use remotely.

Potential Activities:

- A. Conduct public technology audit to identify opportunities for improvement, ensuring that public technology is comprehensive, up to date, and easy to use.
- B. Increase number and type of circulating resources (i.e. Library of Things).
- C. Create a limited Digital Media Lab at Main that includes some makerspace elements.
- D. Evaluate opportunities to provide dedicated space for technology and makerspace resources at all locations.

Organizational Competencies

Even the best-run libraries may have room for improvement in certain operational areas, and these issues can make it difficult to provide services regardless of the library's priorities. Organizational competencies are what the library must do in order to improve the ability to provide the desired services articulated in the goals and are meant to increase the library's effectiveness and efficiency. In this plan, the impact of the pandemic on staff resources is addressed.

Marketing/Public Relations/Communications/Graphic Design

- 1. Clarify the objective of the department and clearly identify the purpose and desired outcomes. Collaborate with other library departments to identify priorities and best practices in order to maximize patron awareness.
- 2. Conduct a departmental assessment, including divisions of responsibility and workload.
- 3. Evaluate staffing and resources and adjust to meet the identified needs of the library, including revising processes and procedures as necessary.

Public Services

 As the majority of this plan includes additions, improvements, and increases to public services, each public service department will conduct an assessment to identify what existing offerings need to be adjusted, shifted, or reduced to accommodate the new and improved services. This assessment should include an evaluation of current staffing and budget resources, and result in a written plan that will be shared with the Board and staff.

Evaluation Process

This plan is designed to be flexible and responsive to changes in the economic, demographic or sociopolitical climate. The strategic initiatives and goals are broad enough to allow for necessary modifications to the activities that are carried out. All of the activities are defined as "potential" in order to allow changes to the plan as needed. Library management will work closely with the Board of Trustees prior to finalizing and implementing activities over the next three years. Reporting progress toward meeting the goals will be a regular part of library board meetings.

- 1. The President shall preside at all meetings of the Board and appoint all committees, authorize calls for any special meetings, and generally perform the duties of a presiding officer. The President shall be an ex-officio member of all committees. The President shall be the official spokesperson for press releases and official messaging.

- C. Notice of all Board meetings shall be posted in the Library and on the Library website forty-eight (48) hours prior to the meeting.
- D. If a quorum of the members of the Board or a Board committee is physically present as required by subsection (b), a majority of those physically present, or at least 3 physically present members of a committee consisting of 5 members, may allow a member of that body to attend the meeting by other means (video or audio conference) if the member is prevented from physically attending because of:
 - personal illness or disability;
 - 2. employment purposes or the business of the public body; or

- E. All meetings of the Board shall be open to the public and be conducted in accordance with Illinois Compiled Statutes. The Board may adjourn to a closed Executive Session for the purpose of considering matters of personnel, land disposition, and other matters as authorized by Chapter 5, Act 120, ILCS, The Open Meeting Act. Matters discussed in Executive Session shall not be binding unless approved at an open meeting.

Electronic Meetings Policy

The Board of Library Trustees believes it is in the best interest of its residents and taxpayers that the fullest participation and attendance in all board meetings be achieved whenever possible; and

The use of electronic conferencing for meeting attendance and voting requirements, at least in some governmental meetings, is permissible so long as the meeting is conducted in accordance with the open meetings act; and

The open meetings act has been amended to allow attendance at public body meetings through audio-conference, video-conference, or by any other electronic conferencing without physical attendance; and

The Board in all of its regular, special, and committee meetings complies and intends to comply with the provisions of the open meetings act.

The Board of Library Trustees, having considered the aforesaid matters, hereby adopts this policy to be used when needed, to make use of the capabilities for conferencing by electronic means or any other type of conferencing for its meetings as more specifically set out in this resolution, and to adopt, establish, and set forth the rules of the board applicable thereto:

- All pertinent provisions of the open meetings act must be complied with, including specifically the
 proper notice of any regular or special meeting, the proper record keeping or minutes of each
 meeting, and the appropriate agenda preparation for each meeting, which in addition shall be
 posted along with the notice of the meeting; in particular, any use of closed sessions shall be in
 compliance with the provisions of the act.
- 2. That sufficient security and identification procedures be employed, either at the outset of any meeting or at any time during the meeting as appropriate, to ensure that any and all members attending for discussion or voting purposes are in fact an authorized member with the right to speak and vote.
- 3. Pursuant to the open meetings act, a quorum of members of the board must be physically present at the location of the meeting. Only additional members, i.e., those members not part of the required physically present quorum, may attend by video and/or audio conferencing or by other electronic means.
- 4. All board members attending meetings by electronic conferencing shall be entitled to vote as if they were personally and physically present at the meeting site so long as a physical quorum is present, but their votes shall be recorded by the secretary as done by electronic attendance.
- 5. A board member who attends a meeting by video or audio conference must provide notice to the recording secretary or clerk of the board at least 24 hours prior to the meeting unless such advanced noticed is impracticable.
- 6. A board member may attend a meeting through electronic conferencing if his or her physical presence at the meeting is prevented due to (i) personal illness or disability; (ii) employment purposes or the business of the board; or (iii) a family or other emergency.
- 7. As soon as it becomes apparent to the Board that a meeting will include electronic conferencing, all subsequent notices of the meeting shall indicate that one or more board members will or may be attending by electronic means. In the event that the notice of the meeting has already been disseminated and posted, a follow-up notice indicating the above shall be placed as soon as possible. In the event any news media have filed the annual request for notice of meetings, they shall receive an updated notice in the same manner as given to all members of the board.
- 8. The meeting minutes shall include, but need not be limited to; (i) the date, time, and place of the meeting; (ii) the members of the board who were either present or absent from the meeting and whether those members in attendance were physically present or present by audio conference, video conference, or by other electronic means; and (iii) a summary of discussion on all matters proposed, deliberated, or decided, and a record of any votes taken.
- 9. This policy shall not be construed to mean that conferencing by electronic means shall be regularly used or used at every meeting of the board but shall be used only as necessary to allow

- the participation of board members who are unable to attend in person due to such circumstances listed in provision 6 of this policy.
- 10. The location of the meeting included on the notice shall be equipped with a suitable transmission system (e.g. A speakerphone) in order that the public audience, the library members in attendance, and any staff will be able to hear any input, vote, or discussion of the conference and that the member attending by electronic means shall have a similar capability of hearing such input, vote, or discussion.

May 2022

Youth Services

- 1) We celebrated Screen Free Week (May 2-8) by distributing 141 packets of content and activities from the website, https://screenfree.org/, as well as library resources and a display with books about crafts, hobbies, cooking, etc. This display got a lot of traffic and had to be refilled multiple times.
- 2) Our Mental Health Awareness Month display included topics such as feelings, mindfulness, yoga, and mental health. A patron shared this picture on Instagram.
- 3) We spent three days at Westbrook for Camp Read S'more, where we provided information about summer reading and shared notable books from many different collections. The students spent a couple of minutes at each station, browsing books and deciding which ones they would like to check out from the library in the future. For the preschool classes, staff read a story and shared a song about s'mores. Approximately 360 students participated.
- 4) The Discovery Zone is getting back to pre-pandemic busyness. The Nintendo Switch is now available to play, children still enjoy drawing on the white wall, and it can be a good place to work on group projects.

South Branch & Community Engagement

- 1) Staff from South Branch and Youth Services collaborated to present a STEAM program to children in D57's After-School Program at RecPlex. Children rotated through eight STEAM stations. This was a new outreach connection for us, and we look forward to future collaborations.
- 2) Asian-Pacific Heritage Month was recognized via a rotating display of materials for all ages and a very popular origami-making station.
- 3) Staff visited the Kenneth Young Center's LGBTQ+ Youth and Young Adult Center. Located in Schaumburg, the Center provides a range of services, resources, programs, and respite for young people ages 11-24 in the northwest suburban area who identify as LGBTQ+. The Center also hosts parent groups and has an active Youth Advisory Council. The staff at the Center are eager to collaborate and share resources with the library.
- 4) The weekly Play and Learn bilingual English/Spanish storytime for Pre-K children and caregivers has been well-attended since returning to in-person in March. The program features music, crafts, and play-based learning and is presented in collaboration with staff from the Village's Human Services Department.

Monthly Library Report

Research

- Staff had several positive interactions with patrons who needed to attend online meetings through Teams or Zoom and were able to use the new in-house circulating laptops paired with a study room reservation.
- 2) Anne Shaughnessy received a Resolution of Appreciation from the Mount Prospect Historical Society for her digitization work and for representing the library on the Pandemic Moments Committee. To date, Anne has digitized and cataloged almost 400 photos, documents, and oral histories from the MPHS collection.
- 3) Gale courses set a record with 35 course enrollments in May, while LinkedIn Learning had 2,092 video views in May, the highest number of video views since March 2020.

- We visited virtually every middle and high school in our service area to promote this year's Summer Reading Challenge and engaged an estimated 2,187 students – which translated into a high number of early registrations and inquiries.
- 2) A revamped pathfinder and display for this year's Sunshine books (school assigned reading) highlights ways to better connect students with appealing books.
- 3) A display curated to celebrate Jewish Heritage Month received strong patron interest; one patron was inspired to obtain a library card that very evening in order to check out several books she found on the display, and another asked staff after the display had gone down about finding more of

the featured titles "because the book I took home spoke to me so deeply."

- We worked with the Prospect Heights Library to give library cards to Mount Prospect students attending schools in District 23.
 Fourteen cards were issued, with parent or guardian permission.
- Six library cards were issued to residents of Rimland Services, an adult group home located in Mount Prospect.
- Public meeting room rentals began again after a 26-month hiatus. We had seven rentals: four music recitals, a condo association board

meeting, a town hall meeting with local representatives, and District 214 Read to Learn gathering. Patrons are very excited to be able to use the public meeting rooms again.

Circulation

- The long-awaited Library of Things collection launched in May and includes a projector, karaoke machine, DVD and CD players, Bluetooth speakers, as well as some yard games – just in time for Memorial Day and summer!
- 2) Our canvas bags received an update this month – the blue checkout bags have now been replaced by larger, sturdier canvas bags featuring the updated MPPL logo, and the canvas bags we have available for purchase were updated as well.

Building & Security

- With the warmer weather our grounds work has been a priority. Our lawn irrigation system was restored and also required repairs to the safety device that protects backflow into the water supply. We also planted all of our annual garden plantings as well as the planters in front of the library.
- In June, the annual maintenance work was done on several of our essential systems including the fire sprinkler system, HVAC chillers, and emergency backup generator.

Collection & Bibliographic Services

 CBS Department Head, Kevin Medows, departed in May to take the Executive Director position at the Rolling Meadows Library. We were fortunate to have a very well-qualified internal candidate, Ross Shanley-Roberts, who took over at the end of May.

Communications & Creative Services

- 1) May marked Emme Guest's six-month anniversary as our Content Coordinator. In this time, we have grown our social media following steadily. Our Facebook page likes are up 60% from the previous six-month period, and Instagram followers are up 122%. Our new followers are from Mount Prospect, reinforcing the importance of creating communityfocused content for our platforms.
- 2) Social Media Highlights:
 - FB: 23 posts and 26 events | 23 page likes
 - TWITTER: 24 Tweets | 19 mentions | 1 follow
 - INSTA: 13 posts and Stories | 15 page follows
 - YOUTUBE: 6 videos | 871 views | 1 subscriber

3) May was primarily spent coordinating Summer Reading projects; we coordinated 76 different Summer Reading designs following the new branding guidelines and printed close to 1,000 pieces in-house. Several pieces such as reading logs and promotional flyers were sent to

State Graphics for printing. Our team worked closely with IT to get the Summer Reading content on the website and create the Beanstack banners for online participation.

Human Resources & Learning

- 1) Number of terminations: 8
- 2) Number of new hires/internal promotions: 3
- 3) Staff anniversaries: 5 years: Emily Whitmore
- 4) Above and Beyond Award: Debbie Fitzgerald, Joe Graska, Andrew Kaiser, Chelsea Lord, Abby Weaver
- 5) COVID-19 cases were significantly on the rise during May, resulting in staffing challenges. On May 31, we reset mask expectations to "recommended," in line with Cook County's directives upon reaching "high" community spread.
- 6) Ten staff members from various departments attended the 2022 Reaching Forward Conference. Some of the takeaways they shared were targeted direct mailings to reaching underserved populations in our community, ways to

increase social media views such as library "unboxing videos," and some of the latest information on ergonomics like providing downward slanted keyboards that can be used for

staff experiencing issues with pain when typing. Attendees reports with all their insights from conferences are shared with all staff.

7) This year's second Staff In-service Day has been scheduled for Friday, November 4. The overall theme for discussion is intellectual freedom and Ashley Hope Perez, author of Out of Darkness, to discuss banning books from an author's perspective. We will also have presentations that cover the policies and procedures on responding to challenges from patrons and de-escalation skills.

Information Technology

- 1) IT has completed the migration of network data and virtual machines to the new storage area network device.
- 2) eResource Central (eRC) went live in May this fully integrates e-material from OverDrive, Hoopla, and Comics+ into the catalog.
- 3) Mobile Beacon has replaced all of our older model circulating hotspots; all are now the newer model Franklin T10.

Friends of the Mount Prospect Public Library
