Library Director Report June 15, 2023

- 1. **Consent Agenda**. This is agenda item 5. Any item on the consent agenda can be removed by request and discussed and voted on separately.
- 2. **2023-2024 Committee Appointments**. This is agenda item 6. President Bass will appoint Board members to the two standing committees, Finance and Personnel.
- 3. **Financial Reports Update**. There was a question at the last Board meeting about the discrepancy regarding an invoice that appears in the Outgoing Bank and Credit Card Charges Report but not on the Expense Report. The short reason is "timing," and the full explanation is below:

This difference arises from the contrasting principles of accrual basis and cash basis accounting, particularly in how expenses are recognized.

In accrual basis accounting, expenses are recognized when they are incurred, regardless of when the payment is made. On the other hand, cash basis accounting records expenses only when the actual cash payment occurs.

In the specific case of the ICT invoice, the invoice is correctly listed on the Outgoing Bank and Credit Card Charges report as it reflects the cash payment made for the expense. However, the other statements are prepared using accrual basis accounting, which recognizes expenses when they are incurred, rather than when the payment is made. This means that the invoice may not appear on our other financial statements depending on when the criteria for recognizing the expense was met. In this case, it was recognized in the Expense Report in April.

- 4. **4**th of July Parade Update. Per our discussion about the parade at the May Board meeting, the library is confirmed to participate in the Mount Prospect 4th of July parade. We've rounded up about 10 staff volunteers who will walk and hand out items, and we will be driving the library van. At the Board meeting we will pass around a sign-up sheet for Trustees to indicate interest in participating. The time commitment is generally 12:15-2:30 p.m. We meet at the library van near Mrs. P & Me (sometimes farther down) and the parade finishes at Melas Park.
- 5. **Trustee Training Opportunity**. This is early notice that the Illinois Library Association annual conference will be held October 24-26, 2023 in Springfield. They typically designate a "trustee day" during the conference (specific day unknown at this time). Take a look at your calendar, and if anyone is interested in attending, please let us know.

May 2023

Youth Services

- This month we visited approximately 2,848 teachers and elementary aged students and 1,011 people in preschool/childcare settings to talk about the summer reading program. The last time we were able to reach that many elementary school students was in 2016.
- 2) We had our last "Chill and Fill Fridays" program in May, which proved to be a crowd favorite. After one child learned that he missed one, he said, "I'm going to start getting the library calendar myself and checking every month." At the last session of "Chill and Fill Fridays," kids made their very own robots.
- 3) In May, we had a family come in and asked if we were hosting a Pride program again this year. They mentioned that they came last year and made friends with other

families who attended (and still meet up with the families they made a connection with). They were very happy to hear that we were hosting a Pride event in June.

South Branch & Community Engagement

 We hosted author Mia Manansala, a Filipino-American author from the Chicago area who has written several popular fiction titles. Attendees at this "sold out" event received a copy of one of her books, choosing between *Arsenic and Adobo*, *Blackmail and Bibingka*, or *Homicide and Halo-Halo*, which the author signed. Hot and fresh Filipino food was provided as well.

2) We collaborated with the Village's Human Services Department to host a Mental Health Matters resource fair and speaker event in recognition of Mental Health Awareness Month. Over 15 local mental health providers were on-site to provide information about their services, followed by a speaker and Q & A session on a range of mental health topics.

 We made a new connection with a school in the South Branch service area. Metro Prep and Laureate Day School provides a continuum of care for special education students at all grade levels. We presented an interactive "Secret Life of

Librarians" program to a small group of elementary aged children. We also provided them with summer reading program materials and a book bag with materials to read over the next month.

4) We presented a bilingual English-Spanish "book tasting" program to kindergartners at Robert Frost Elementary in collaboration with Youth Services staff. Students rotated through stations of book displays and noted titles they were interested in on a book menu. One excited young man visited South Branch with his menu and checked out a few of his selections.

Research

- We presented our first series of Adobe Creative Cloud classes with two sessions of Photoshop: the first was an introduction and the following week more advanced techniques were covered. These were hands-on trainings and attendance was limited to four patrons.
- 2) A virtual program: "Legal Matters: Legal Aid Can Help," had 14 attendees and received positive evaluations. One patron commented "Please keep holding virtual programs...While I enjoy attending in person, I am low vision, babysit grandchildren every day and it's very difficult to attend these interesting, vital and informative programs in person."
- 3) An in-person music program, "My 70's Show," had the highest attendance for the month (43). The audience was very engaged and enjoyed hearing the songs of their youth very much.

Fiction/AV/Teen

- We spent May visiting local middle and high schools to promote this year's summer reading program. Across many sessions, we presented to 1,992 students, which should positively impact summer reading registration.
- 2) We revamped our Books to Go discussion kits to be more visible and accessible to patrons. We also

began to refresh our advisory bookmarks with a rebrand and high-demand topics.

3) The semiannual Exam Cram Study Lounge returned, offering snacks and de-stressing activities during Prospect High School's finals week. Returning for the first time since pre-pandemic were the ever-popular therapy dogs.

Registration

- We saw the highest checkout of museum passes in 2023 with 36 passes issued to patrons in May, with the most popular being the Chicago Botanic Garden and Brookfield Zoo.
- 2) There were 10 public meeting room rentals in A and 8 in B for a total of 18 in May.
- We attended three school outreach nights: Westbrook on May 2, St. Paul on May 3, and Forest View on May 30.

Circulation

- The Circulation department teamed up with the Fiction/AV/Teen department to re-vamp their Books-To-Go Discussion Kit Bags process. The new process has resulted in better visibility and easier access to this amazing discussion resource for the community.
- 2) Our very own Marge Johnson got to put her German skills to use this month, assisting a patron at the desk who could only speak German. Though she felt her skills were rusty, she was able to assist the patron successfully, and he was very "happy and appreciative" she was able to assist him. So appreciative in fact, that he returned later in the month and asked for her again, where she assisted him in translating his needs to Research desk staff.
- The Library of Things collection continues to expand. In May, we launched DIY "things," which include common household tools, such

as sanders, laser levels, a knife sharpener, and a high-pressure inflator, among other things. Along with the expansion came some revision to the display in the lobby to make it easier for patrons to distinguish between the various collections and browse more easily.

Building & Security

- As a safety and security measure, we installed panic buttons at each of the public service desks. When these buttons are activated, the police are immediately notified and respond.
- 2) Several months ago, a local artist, Kathryn Kucera, donated a significant collection of her artwork. This artwork is unique as it is all collage art. We worked with our artwork advisor, Corporate Artworks, to develop a display area to permanently display this work. It is all located on the second floor in two areas that are directly under the skylights.

Collection & Bibliographic Services

 We completed the Sheet Music Cataloging Project. This large sheet music collection was donated in memory of William M. and Edith A. Blaine. This project began in October 2016, and now all 2,472 items are in the catalog. The instruments represented are primarily vocal (40%) and piano (50%) (with representation also in accordion, alto

saxophone, cello, clarinet, cornet, electric keyboard, flute, guitar, horns, orchestra, organ, recorder, saxophone, trombone, violin, and xylotone), and 69% of the scores are for a solo player. We anticipate increased circulation of this collection when MPPL transitions to CCS.

2) Library of Things (LoT) Test Drive Program: Patrons of all ages were invited to a program to create a Solar Glass Jar Lantern craft using vinyl pieces in multiple colors and shapes (flowers, dinosaurs, hearts, pets, and many more) that were created using the Cricut machine (available through the LoT). We also had a variety of outdoor games set-up for patrons to play and try out and some puzzles as well. There was a terrific turnout of nearly 40 people. We answered many questions regarding LoT, Lucky Day, the Museum Adventure Pass program, and other available opportunities at the library.

Marketing

 Our e-newsletters continue to be a great tool for pushing out information to our patrons. Our regular e-news had a click-through rate of 31% for the Mental Health Matters event presented in partnership with the Village of Mount Prospect and interestingly, the second highest click-through was for the recording of the Mental

Health Matters presentation on YouTube. The final elementary school e-newsletter for the school year had a 55% click-through rate for the summer reading video, and we saw evidence of that as masses of families came to register on our first day!

Information Technology

 Our new website went live on Wednesday, May 31, and there was less than 30 minutes of downtime during the transition. We are taking advantage of more sophisticated tools on our hosted server which reduces the amount of time managing upgrades to the underlying CMS (WordPress) and Plugins.

Human Resources & Learning

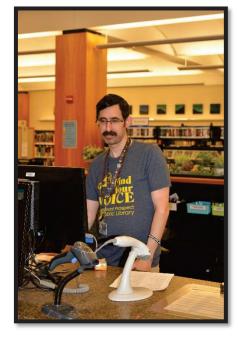

- 1) Number of open positions: 2, Computer Technician (FT) and Fiction/AV/Teen Assistant Department Head (FT)
- 2) Number of vacant positions filled: 1, Content Creator (PT)
- 3) Number of separations: 1
- 4) Staff anniversaries:
 - a. Josephine Broszczak, Executive Assistant, 35 years
 - b. Devin Gackle, Web Content Editor, 5 years
- 5) MPPL Safety In-service Day was May 12. To prepare for the day all staff were required to complete the Safety Scavenger Hunt on which they identified safety equipment and safe routes out of the building. During Safety SID, 120 staff learned how Mount Prospect first responders train and deal with local crises and reviewed and discussed emergency procedures to be employed at the library in various situations. Brooks the Fire Dog also made a special appearance with Chief Dolan.

Friends of the Mount Prospect Public Library

1) The Friends did not meet in May.

Mount Prospect Public Library Foundation

- 1) The Foundation Board members voted to add Hazel Oreluk to the Foundation Board.
- 2) The Board voted to host the Mini Golf fundraising event on March 16, 2024.
- 3) Board members reviewed the electronic recycling fundraiser process and submitted two boxes of donated items for processing.

May 2023 Strategic Plan Progress Report

Items Completed in May 2023

- 1. **New Website (A2B).** Create a new patron-focused website with simplified navigation and standardized naming conventions.
 - a. The new website went live on May 31.
- 2. **South Branch Shared Space (A1D).** Evaluate the partnership with the Village and Human Services to define the benefits and requirements of sharing the Community Connections Center space.
 - a. South Branch staff participated in a retreat on Monday, May 15 and discussed the following:
 - i. Identify the primary purpose of South Branch.
 - ii. Identify the benefits/drawbacks of partnering with the Village in a shared space.
 - iii. Identify future goals and opportunities to strengthen the partnership.
 - iv. Identify new or expanded services, for the library alone or in partnership with the Village.
 - v. Create a future space needs wish list.

Selected In Progress Items

- 1. **Improve adult programming coordination (B2B).** Increase the coordination of adult programs across MPPL departments, including South Branch.
 - a. We have established a task force to conduct some research and then create a "framework" for adult programming including:
 - i. Identifying target audiences.
 - ii. Identifying target program types.
 - iii. Identifying target frequency/scheduling/format.
 - b. The plan is to create the framework over the next few months, then plan to implement in 2024.
