Engineer poems by stacking LEGO bricks with words on them. We bring the LEGO bricks; your students bring their creativity.

Our Favorite Books on the Road!

TEACHERS

We've read all year and developed a presentation geared toward grades K-2 or 3-5 teachers based on our favorites. Presentation can be adapted to meet the needs and availability of teachers.

Summer Reading informational visits begin in May! Details coming soon!

Mystery Reader visits are also available for grades K-5 in March and April.
