---

## I. Purpose

- A. The purpose of volunteering at the library is to allow community members and the library to work together to provide excellent library services for the residents of Mount Prospect. The purpose of the Volunteer Policy is to provide guidelines for the volunteer program and those who participate in it.
- B. This policy is for internal management guidance only and does not constitute, either implicitly or explicitly, a contractual or personnel agreement.
- C. The library reserves the right to change any part of this policy.

## II. Definition

- A. Volunteers are individuals 12 and older who assist the staff by performing specific tasks for the library without promise, expectation, or receipt of wages, benefits, or compensation of any kind for services rendered. The volunteer offers their assistance freely and without coercion and solely for civic and/or charitable reasons and is not otherwise employed by the library.
